Certificate

Affiliated Programs

The IGC Medium Assurance Affiliated with Hardware certificate can be issued to Healthcare professionals for prescribing under the Electronic Prescriptions for Controlled Substances (EPCS) program.

IGC Medium Assurance Affiliated with Hardware certificates can also be used by professionals who submit digitally signed and sealed documents to government agencies for processing and approval.

Additionally, because these certificates are also publicly trusted, affiliated programs are not always applicable. Anyone can purchase or trust IGC certificates, digital signatures and emails secured by an IGC Medium Assurance Affiliated with Hardware certificate.

Select **BUY NOW** to use our Certificate Selection Wizard, where we will assist you in choosing the certificate type that has the appropriate assurance level required for you to transact business.

Product Summary

IGC Medium Assurance Affiliated with Hardware certificates are issued under the IdenTrust Global Common Certification Authority program and are cross-certified under the U.S. Federal PKI Common Policy Framework. IGC Federal Bridge Certified certificates are accepted by government agencies and are used by individuals who are affiliated with a sponsoring organization to conduct business in a digital world.
